this major volume is a collection of the writings of joseph ratzinger pope emeritus benedict xvi on the theology of the liturgy of the church a subject of preeminence to him as a theologian professor and spiritual writer it brings together all his writings on the subject short and long giving his views on liturgical matters and questions over many years and from various perspectives he chose to have his writings on the liturgy for the first volume published of his collected works though listed as vol 11 because as he says in the introduction the liturgy of the church has been for me since my childhood the central reality of my life and it became the center of my theological efforts i chose fundamental theology as my field because i wanted first and foremost to examine thoroughly the question why do we believe

but also included from the beginning in this question was the other question of the right response to god and thus the question of the liturgy by starting with the theme of liturgy in this volume ratzinger wants to highlight god s primacy the absolute precedence of the theme of god beginning with a focus on the liturgy he said tells us that god is first he quotes from the rule of st benedict nothing is to be preferred to the liturgy as a way of ordering priorities for the life of the church and of every individual he says that the fundamental question of the man who begins to understand himself correctly is how must i encounter god thus learning the right way of worshipping is the gift par excellence that is given to us by the faith the essential purpose of his writings on the liturgy is to place the liturgy in its larger context which he presents in three concentric circles first the intrinsic interrelationship of old and new testament without the connection to the old testament heritage the christian liturgy is incomprehensible the second circle is the relationship to the religions of the world the third circle is the cosmic character of the liturgy which is more than the coming together of a circle of people the liturgy is celebrated in the expanse of the cosmos encompassing creation and history at the same time

catechetical sessions on liturgy and the sacraments begins by familiarizing participants with the nature of liturgy and the liturgical year an introduction to the properties of signs symbols and rituals sets the groundwork for studying individual sacraments four sessions address the sacraments of initiation two sessions cover the sacrament of anointing of the sick and the final session covers the sacraments at the service of communion the sessions share some of the history of the sacraments their meaning the significance of symbols and the nature of the rites the participants are invited to actively study the sacraments to make connections between the sacraments and their own lives to reflect prayerfully on the meaning of the sacraments and to take some sacrament related actions

what concepts must one have in order to understand and explain the nature and purpose the plan and actualization and the relational character of the liturgy
